How Do I Get Paid?

Commissions are paid monthly by cheque draft in USD when earnings are at least \$100 USD.

- Commissions less than this amount are held until the cumulative commission amount reaches \$100 USD.
- There is a monthly 1.5% administration fee applied to commissions with a minimum charge of \$1.50 USD and a maximum charge of \$750.00 USD.
- Cheque drafts are mailed to the importer by FreeLife on the 15th. When the 15th falls on a weekend or holiday they are mailed on the following business day. Cheque drafts must be picked up in person at the importer's place of business. Please bring a valid form of ID.
- Commissions are not released until all documentation requirements are met. Once this happens, all back commissions are paid to the Marketing Executive in their next active commission period.
- Marketing Executives must have 100 personal points (PV) each month to qualify for commissions and bonuses. If a Marketing Executive does not have 100 personal points in two consecutive months, that ME will forfeit their organization through the monthly roll-up process.
